No.Acd./344/IRC

Dated : ¹⁰~~02~~nd February, 2022

NOTIFICATION

On the recommendation of the 53rd IRC the Chairman, Senate has approved the proposal of celebrating "Institute Research Day" every year on 14th March which may include the following activities:

- Competition on Abstract writing.
- Short workshop on research relevant topics, for example – (a) research ethics, (b) writing manuscripts, (c) research methodologies, (d) research presentation, (e) research design, etc. (maximum two, in a year).
- Nobel Lecture: Every year, one Nobel Laureate/an eminent scientist of similar stature will be invited (Virtually/Physically) for the Lecture.

The IRC further recommended to form an Institute level committee consisting of three members (one each from Engineering, Science and Architecture/Design/Humanities/Management) to be chaired by DoAA (ex-officio). The committee will be responsible for planning and organizing the "Institute Research Day" in coordination with the AAO and its tenure will be for a period of two years.
